

BrillianceTeam × AIX 2.0 Global Mobilization Order

—Let's work together to create a new era of intelligence

Dear BrillianceTeam Members Around The World:

Thanks to all the partners who have participated in and promoted the construction of AIX 1.0 ecosystem.

It is because of your trust and actions that we have jointly completed the important mission of the creation stage.

- ☑ All AIX 1.0 promotion incentives have been fully redeemed
- ☑ Thousands of BrillianceTeam members win digital assets, physical rewards and exclusive qualifications
- ☑ Multiple teams entered the AIX core ecosystem to participate in global governance and airdrop feedback

AIX 2.0 officially launched

You are the first batch of builders of the AI+blockchain integration revolution!

AIX 2.0 is officially launched - technology evolution × boundary expansion × community empowerment and re-starting

This is not only a comprehensive upgrade of the technical architecture, but also a major leap in the platform's strategic positioning - a gorgeous transformation from an elite community to a global open ecosystem.

Promoting the development of AIX is not only a business movement, but also a great journey that will influence the future! BrillianceTeam has added \$50 million to fully promote AIX2.0 to the world. The specific arrangement of funds can be found in the attached table.

**Just waiting to march side by side with you
and write a glorious chapter in the new era of AI.**

AIX 2.0 Technical Declaration to Global Ecosystem Co-Builders

Dear Changemakers, Pioneers, and Future Creators:

At this moment, we are standing at the critical point of technological revolution. The integration of AI and blockchain will redefine the way value flows and reconstruct the trust foundation of the global financial system.

How can you be part of this revolution? This is not a time to be a spectator, but a time to be a part.

Take Action Now: Stake AIXT now to lock in founding membership rights

Ecosystem Builders: Join the developer program and build the AIXT ecosystem

Value Communicator: Get promotion rewards through community fission
